

Determine appropriate student responses for varying ability levels, learning goals and standards: terms, sentences, phrases, questions, examples, opinions, definitions, sketches, descriptions, predictions, comparisons, literature and life connections, etc

Notebook Foldable Two-Tab: Cut out the template. Fold anchor tab backward and forward. Glue anchor tab onto notebook page. Cut to form two tabs. This template can be used to find pros and cons presented in informational text, as a planning tool for argumentative writing, and /or as a self and teacher formative assessment tool. Record the issue or topic on the anchor tab. Under the tabs, record phrases and transition words that create cohesion and clarify relationships between claims, counter claims, and evidence for each.
